Hi _____, This is Kia with Family Heritage. You had some insurance with our company, and I wanted to reach out and let you know that you may be eligible to file old claims. Most people have some \$ coming to them and with everything going on right now, that's always a good thing. As a reminder our policies pay cash to you for accidents, health screenings, and major illness, even if your health ins. pays the bill.

I also wanted to let you know that we now offer policies that cover hospital stays and ICU confinements for any reason including this virus. They are very affordable and could pay you or your loved ones up to \$3500/day for an ICU stay. If you would like to get a quote, check on any cash value or old claims on your plans, feel free to reach out by replying to this text: 303-96-4085 or through email: kia@abgpartners.com Stay safe & Healthy!
